

What needed to be 'subdued' in perfect Eden?

The curse to the Serpent prophesied a crushing of his head by the seed of the woman. What does that mean to us today? How could this charge possibly apply to Job?

Pastor Bill spoke about the Retributive Principle. If you do 'x' you should expect 'y' to happen. If you do not do 'x', then you should not expect 'y' and in fact should expect 'z'. What rp do you live by? What rp did Satan live by? What rp does Job live by? Job's wife? Does God have an rp? If so what is it?

Questions for Discussion

Would you or I come to church, do good things, follow Christ, really lean into reconciling with people who have hurt us, sacrificially give, serve God, have good character if there was no payoff? No benefits? No goodies? No recognition. No emotional hits? No health/wealth/reputation? What if what you had built up was taken? Would you curse God to his face for unfaithfulness?

Pastor Bill distinguished between two kinds of faith. Describe how you have experienced both in your life last week.

He also asked this question? Discuss your answer.
Does God prefer that you work hard to do all the right things, ethically and character-wise and be successful at it, or that you really want to do all the right things and fail.

Based upon your readings in Genesis, what do you think God meant when he charged Adam and Eve with being fruitful, multiplying and filling? Was it the same thing as He commanded the animals?

What did God mean by 'ruling'?
