

# Kids on The Mount

## Parent Partners Training at a glance

**Dear Parent Partner,**

**Thank you so much for serving the children of kids on the mount. You play a crucial role in maintaining our 2-deep safety role and provide much needed support and assistance to our classroom leads.**

- Parent partners serve on an every 5 week rotation.
- Please call Sheri or Amy to sign up for your parent partner rotation.
- Please arrive 30 minutes prior to service for prayer and check in the nursery.
- We will give you a parent partner name tag, please wear at all times during your service time.
- If you have an area of preference please let us know and we will do our best to place you in that area. Please note that we do place our parent partners in the area of greatest need to maintain staff to child ratios.
- We ask that all parent partners remain with a screened team member at all times.
- Parent partners should not take children to the bathroom or change diapers.
- You are a helper assisting shepherds and nursery leads.
- If you are not sure how to help do not hesitate to ask a team member for assistance.
- You can help with crafts, comforting, guidance, playing, sharing, singing, reading, bible application, and so on.
- Please help with clean up and sanitation after the children are picked up.
- Children must not be released without the security name tag being matched, leads should be at the door or nursery window for check out.
- We send out a weekly email reminder to all parent partners. If you cannot make your rotation please let us know as soon as possible so that we can be sure we have adequate coverage.
